

GARDENING VOLUNTEERS AT WOODBROOKE

Managing ten acres of organic garden and grounds is an exciting and demanding job. Our gardener, Steve Lock, welcomes the help of occasional Gardening Volunteers who assist him with specific projects and with general clearing and maintenance tasks.

Expectations and terms relating to this position are as follows:

- All work would be during the week and not at weekends, unless by arrangement.
- We would expect that the Gardening Volunteers would work about five hours a day, 25 hours for Gardening Friends
- Help is welcome for a period of up to two weeks
- Local volunteers who might come here on a daily basis will be offered lunch, morning and afternoon refreshments, and a contribution towards their travel costs
- Volunteers coming from further away will be reimbursed for their travel expenses within mainland Britain, and offered full board accommodation for each day that they work. If staying for two weeks, board and accommodation for the weekend in between will be included for free
- Volunteers coming for two weeks who wish to take part in a course over the weekend between would be eligible to pay the course fees only and not the accommodation charges. This is subject to availability of places and normal booking procedures
- Because of the size and nature of the grounds, Gardening Volunteers will be expected to help with reasonably physical jobs – not just trimming edges and light weeding! We therefore ask that any volunteers are fit enough to tackle heavier tasks, such as digging.

If you are interested in coming to Woodbrooke to be a Gardening Volunteer please complete and return the form below to:

**Steve Lock, Woodbrooke Quaker Study Centre, 1046, Bristol Road,
Birmingham B29 6LJ**
